Construction of School Building**

LIFE SKILL EDUCATION

- **Project Objective** :- To empower young people to take positive action to protect themselves and promote health and positive social relationships.
- **Project Result** :- Life skill session has helped children to get a break from their daily routine and get aware about ones own responsibility towards ones life.
- **Process**:- The schools (only for economically weaker section) contact BREAD or BREAD identifies similar schools. The schools are supposed to inform of the target group and the issue to be dealt. The BREAD staff in-charge of life skills arranges for the class. The topic of focus is broken into simpler forms and children are helped to learn by doing. Various activities, songs, videos and games are employed to make the whole session interesting and more understanding.

Life Skill Education - Themes

Class/Category	School Name	Date taken	No. of Children	Theme
IX & X	CDM	21-10-2019	53	Importance of Higher Education

LEARN A LIFESKILL**

BREAD's Odisha Fani Rehabilitation Program, 2019

TARGET

3 Institutions

1150 children

NEED/DAMAGE ANALYSIS

After the destructive storm hit Odisha, Fr.Joson, the Managing Trustee of BREAD carried out a need assessment with a participatory approach to understand the real needs of the victims in Bhubaneshwar and Puri districts of Odisha. Through the visit it was realized that there was more of structural damage as human lives were safeguarded with prior measures taken by the government. The damage caused was a complete misery, it replicated a war zone with no electricity, drinking water and lack of telecommunication.

STRATEGY

The main strategy followed for implementing the Fani rehabilitation program was that to find the needs of the victims that could fit in the on-going projects in BREAD. This ensured the rehab program is implemented faster and with no functional difficulties as there already existed the working knowledge and guidelines. The needs were identified in such a way that it could be covered under School Improvement Program (SIP) and Mother's Care (MC) Program. Reaching out to many in less time.

ACTIVITIES DONE

St. Joseph Community Beatrix High School, Puri Vinoba Bhave Telugu Medium college, Jokiladi – 150 – 800 children – The School, Puri – 200 children- Youths –Revamp of stage roofing and the Supported with educational Kitchen and Dining Hall solar panels reinstalled. articles.
