

BLOSSOMS - Sowing for tomorrow

It is an attempt to build a reservoir of fund for 300 children. It is being built on the individual saving as well as partial contribution made by BREAD. It is a ray of hope for the anticipated cost for future education.

MOTHER'S LEAP - A leap forward

It is a unique program that helps skills for living. Financial support is extended to youth for skill development, job oriented training and professional education.

MOTHER'S CARE- EDUCATION - UNINTERRUPTED

BREAD is able to shoulder the burden of education of 2224 children. The daily expense of education becomes reason for many to drop out and BREAD has tried to minimize these obstacles.

MARY'S MEALS- EDUCATION- ON A FULL STOMACH

BREAD is a source of food and education to 20655 poor children, hailing in extreme poor conditions across 8 states of India. It ensures health and education to the poorest of the poor. Children from street, urban slums and far flung rural areas are shown the way to school. A promise of daily nutritious meal: meal for both body and mind.
