Level Of Education

Why feeding :

WE BELIEVE

1. Food & Education is key to development and alleviation of poverty.
2. Food, serves as an incentive to the hungry children to come to the classroom

Fruits of mary's meals

- Nutritious food for the poor children
- Improvement in health status
- Children re- discover their childhood
- Community participation
- Gender discrimination is reduced
- Child labour reduced
- Improvement in educational conditions
- Education among girl children is promoted
- Caste imbalance reduced as children eat together

ENSURING QUALITY EDUCATION UPTO COLLEGE LEVEL

Mother's Care is a unique programme towards self-reliance by offering financial help for education to those who are less privileged, so that they can stand on their own.

Mother's Care reaches out to the disadvantaged students by way of individual educational sponsorship to ensure quality education up to college level.

SREAR No

A large group of children and adults are posed for a group photograph. The children, of various ages, are holding white certificates or papers. They are dressed in a variety of colorful clothing, including dresses, shirts, and traditional Indian attire. The adults, including men and women, are standing around the children. The background features a white wall with a banner and a window with green curtains. The floor is made of grey tiles.
